

Health - Shielding

The Praezis Advantage

Recognized for attention to detail and speed of service, ATH-Praezis balances innovative, responsive solutions with a pragmatic, cost-conscious approach. This client-centred philosophy earns ATH-Praezis customer trust and lasting business relationships.

ATH-Praezis works with its customers on any size of project - small or large, urgent or planned - meeting client's current and future needs.

Each assignment is led by one of ATH-Praezis hands-on principals and embraced by a carefully selected project team of seasoned professionals. Service 'Building Blocks' already available with ATH-Praezis may be configured, utilized, or completely new solutions structured.

These core teams, carefully selected and resourced, collaborate with customers' staff in order to completely satisfy customers' objectives. Services are provided from a choice of several 'verticals'.

Ease-of-mind about on-premises health security - for customers, employees and visitors - is fast becoming an essential pre-requisite for all service providers. ATH-Praezis' customers provide services to a discerning clientele conscious of its 'health shielding', and therefore must deliver 'assurance' at an economical cost.

The CoViD 19 pandemic, its silent spread, reinforces need for establishments to put in place certify-able systems and practices that help differentiate their premises by offering 'Guest Peace-of-Mind', enhancing marketability.

ATH-Praezis, through its expert services helps enterprises to re-activate their business premises, and also reduce its business-risk, demonstrably reducing chances of third-parties carrying infection, and lowering insurance costs.

ATH-Praezis, internationally certified associates will assist establishments with non-complicated, simple-to-implement Occupational Health processes and practices, their control, audit and assurance.

Understanding cost pressures already faced by enterprises, ATH-Praezis offers training of hospitality staff incl., in food & beverage, in operations and those customer-facing, to ensure that there is full compliance delivered consistently, day-in day-out, without 'gaps'. ATH-Praezis will enable the business through systems training, technical training, train-the-trainers, and training of auditors.

ATH-Praezis helps enterprises sail-through difficult period, gain confident reassurance and in having-in-place a reliable health-shield. This is done through practical check-sheets based on sound SOPs, concurrent on-line operational audits, 'feed-back loop' to embed 'lessons-learnt' into the system. Adopting a systematic approach gives enhanced control to an enterprise helping it keep and maintain its promise of health-shielding.

To provide services to a discerning clientele, our customers have to commit themselves to elite service-levels providers, and to Operational Excellence in all aspects of their deliverables.

Consistent quality delivery, assured functionality & user-comfort, 'each time - every time' is essential to their business-model, as enterprises aim for repeat custom, clientele-loyalty. Enhanced service 'up-time' and peak-efficiency operations contribute straight to the bottom line.

In a globally-competitive environment, clientele pricing and service standards are demanding. Owing to the long experience of its experts, ATH-Praezis fully comprehends the challenges faced in delivery of service in a demanding and cost-conscious market.

ATH-Praezis simultaneously enables enterprises to put in place Sustainable Development Goals (SDG) to meet the international requirements and achieve international OHS Benchmarks, through assistance in developing programs, training the team, and then in monitoring the implementation.
